**Vickie York of Ocean Atlantic Sotheby's International Realty Honored with Prestigious
Delaware 2010 FIVE STAR Real Estate Agent Award**

Rehoboth Beach, DE. – October 20, 2010. Local Realtor® Vickie York of Ocean Atlantic Sotheby's International Realty has been named as one of Delaware's 2010 FIVE STAR Real Estate Agents. The FIVE STAR Award recognizes those agents who have scored the highest in overall customer satisfaction, with these scores derived directly from customer surveys. All Delaware area residents who purchased a home over \$100,000 within a 24-month period (January 2008 to January 2010), along with 12,000 subscribers of Delaware Today magazine, were surveyed by phone or mail to determine the top scoring agents across the state. In addition, 250 surveys were sent to mortgage and title companies who are able to judge a real estate agent's technical skills and knowledge. Most importantly, the 2010 FIVE STAR agents do not pay any type of fee to be included in this research or on the final list of FIVE STAR agents which means this is true reflection of their clients' feedback.

A well-known name in local real estate, Vickie York joined the Ocean Atlantic Sotheby's International Realty team in Bethany in July 2009 after over 25 years as a very successful independent realtor. She previously owned her own company, Vickie York...at the Beach REALTY, located in Bethany Beach, Delaware. In her first full year with OA Sotheby's, York received recognition as the company's Overall Top Producing Agent for 2009. She is also the company's overall top producer again for the first half of 2010. Aside from York's hard work and dedication within the real estate industry, she is also extremely dedicated to her community. For the past 11 years, York has been a dedicated volunteer for Meals on Wheels. She has also served on boards such as the Beebe Hospital Advisory Board, South Coastal Beebe Medical Center Capital Fundraising Committee, South Coastal Leisure Center Building Fund, Friends of South Coastal Library, and the Bethany Beach – Fenwick Island Chamber of Commerce.

In Delaware, FIVE STAR Real Estate Agents account for less than 6% of all the licensed agents in the state. "The FIVE STAR award is a true representation of outstanding customer service from an agent," said Justin Healy, Broker at OA Sotheby's International Realty. "We at OA Sotheby's are so proud to have Vickie as part of our team. Her continued hard work and dedication to her clients is truly a great reflection on our company."
