The dust has settled and the final numbers are in: Ocean Atlantic Sotheby's International Realty of Rehoboth and Bethany just announced its top Realtors for 2010. Receiving honors is Vickie York as the company's Top Overall Producer.

"We are thrilled to honor Vickie with this Top Producer award," said Justin Healy, broker at Ocean Atlantic Sotheby's. "In addition to being an outstanding real estate sales and marketing expert, she is an extraordinary team player and we are delighted she choose to partner with us at Ocean Atlantic Sotheby's International Realty."

A well-known name in local real estate, York joined the Ocean Atlantic Sotheby's International Realty team in Bethany in July, 2009 after over 25 years as a very successful independent realtor. She previously owned her own company, Vickie York...at the Beach REALTY, located in Bethany Beach. In her first full year with Ocean Atlantic Sotheby's, York received recognition as the company's Overall Top Producing Agent for 2009. Aside from York's hard work and dedication within the real estate industry, she is also extremely committed to her community. For the past 11 years, York has been a dedicated volunteer for Meals on Wheels. She has also served on boards such as the Beebe Medical Center Advisory Board, South Coastal Beebe Medical Center Capital Fundraising Committee, South Coastal Leisure Center Building Fund, Friends of South Coastal Library, and the Bethany-Fenwick Chamber of Commerce.

"We are so proud of all that Vickie does," said Healy, "Not only as an outstanding member of the Ocean Atlantic Sotheby's International Realty team, but also as an exceptional community member and volunteer. Our whole team is looking forward to a great 2011!"
